Saturday | December 1st | 6-10pm M Bar Orlando

A NOTE FROM OUR FOUNDER:

I hope you will join me in the fight against pediatric cancer by supporting the annual Benji Watson Cancer Foundation fundraiser and celebration.

The evening will consist of great entertainment, dinner, and exciting auction items at The Veranda in Thornton Park.

I founded the Benji Watson Cancer Foundation after my personal fight against cancer.

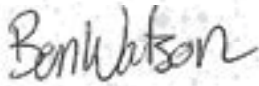

I never planned on being a cancer survivor, but on October 1, 2010 my world was changed forever. I was diagnosed with non-Hodgkin's large B-cell lymphoma. I decided then that I would be a cancer survivor.

While in the hospital, I learned of the many fellow pediatric cancer fighters who did not have the same level of support that I had during my battle with cancer. I saw how families often struggle to stay with their sick child and give them the time and support they need to fight their cancer. As a result, I formed the Benji Watson Cancer Foundation to help pediatric cancer patients with needs that their families are unable to meet.

I am now in remission and want to do as much as I can to help these families in need. The Benji Watson Cancer Foundation continues to host fundraisers throughout the year and work closely with my oncologist, members of the community, local hospitals and other non-profit organizations in assisting families to make their fight a little less painful. Families will always have rent payments to be made, gas tanks to be filled, household bills that pile up and pantries that remain empty. It is my hope that with your support and help, some of these needs can be taken care of and the child, strengthened by their family, will be a survivor like me.

Join me in making a difference by supporting the Benji Watson Cancer Foundation. All proceeds benefit the children and families whose lives have been affected by pediatric cancer. Thank you for all of your support and for your generosity.

Sincerely,

Benji Watson - Founder
