### A NOTE FROM OUR FOUNDER:

I hope you will join me in the fight against pediatric cancer by supporting the annual Benji Watson Cancer Foundation fundraiser and celebration. The evening will consist of great entertainment, dinner, drinks and exciting auction items at a private hangar at the Orlando Executive Airport. This year is particularly special because, not only is it our Foundation's 10 Year Anniversary, I am also celebrating 10 years in remission. We are celebrating 10 years of serving our community and providing hands on assistance to families battling pediatric cancer. It is my hope that we can continue to make a difference so that there are more survivors like me. We hope you will join us and make this year one to remember.

I founded the Benji Watson Cancer Foundation after my personal fight against cancer. I never planned on being a cancer survivor, but on October 1, 2010 my world was changed forever. I was diagnosed with non-Hodgkin's large B-cell lymphoma. I decided then that I would be a cancer survivor. While in the hospital, I learned of the many fellow pediatric cancer fighters who did not have the same level of support that I had during my battle with cancer. I saw how families often struggle to stay with their sick child and give them the time and support they need to fight their cancer. As a result, I formed the Benji Watson Cancer Foundation to help pediatric cancer patients with needs that their families are unable to meet.

It is my mission to continue to do as much as I can to help these families in need. The Benji Watson Cancer Foundation continues to work closely with local social workers, oncologists, members of the community, hospitals and other non-profit organizations in assisting families to make their fight a little less painful. Families will always have rent payments to be made, gas tanks to be filled, household bills that pile up and pantries that need to be filled. It is my hope that with your support and help, some of these needs can be taken care of and the child, strengthened by their family, will be a survivor like me.

Join me in making a difference by supporting the Benji Watson Cancer Foundation. All proceeds benefit the children and families whose lives have been affected by pediatric cancer. Thank you for all of your support and for your generosity.

Sincerely,

*Ben Watson*
