SUNDAY, DECEMBER 22, 2024 FROM 1-4 P.M. WINTER PARK FARMERS MARKET

A NOTE FROM OUR FOUNDER:

I hope you will join me in the fight against pediatric cancer by supporting the annual Benji Watson Cancer Foundation fundraiser and celebration. The afternoon will consist of great entertainment, brunch, cocktails, holiday fun, and exciting fundraising opportunities at The Winter Park Farmers Market Venue. This year we are celebrating 14 years of serving our community and providing hands on assistance to families battling pediatric cancer. It is my hope that we can continue to make a difference so that there are more survivors like me.

I founded the Benji Watson Cancer Foundation after my personal fight against cancer. I never planned on being a cancer survivor, but on October 1, 2010 my world was changed forever. I was diagnosed with non-Hodgkin's large B-cell lymphoma. I decided then that I would be a cancer survivor. While in the hospital, I learned of the many fellow pediatric cancer fighters who did not have the same level of support that I had during my battle with cancer. I saw how families often struggle to stay with their sick child and give them the time and support they need to fight their cancer. As a result, I formed the Benji Watson Cancer Foundation to help pediatric cancer patients with needs that their families are unable to meet. Families will always have rent payments to be made, gas tanks to be filled, household bills that pile up and pantries that need to be filled. It is my hope that with your support and help, some of these needs can be taken care of and the child, strengthened by their family, will be a survivor like me.

It's hard to put into words how grateful I am for the love and support we've received over the past 14 years. Thanks to you, the Benji Watson Cancer Foundation has helped hundreds of families facing pediatric cancer. Together, we've not only made a difference in our community, but we have inspired others to join this fight.

After a lot of thought, we have decided that this will be the foundation's final year. While this chapter is closing, I'm filled with gratitude for the lives we've touched. Your support has meant the world to me- especially since my own battle with cancer at 14. It shaped who I am, and because of that, I'll keep giving back, now through a new journey in Ketchikan, Alaska, helping those in need through a new mobile ER program.

Thank you for your support and generosity over the years. I am forever grateful.

Sincerely,

BENJI WATSON CANCER FOUNDATION
